

Felt Embroidered Emblems

A fully embroidered emblem
with the soft texture of
100% polyester felt.

Embroidered Felt Emblems are manufactured with 100% polyester felt fabrics, and 100% polyester embroidery threads, with up to 15 colours per design. Felt Emblems are commonly used to embellish blazers, dress uniforms, jackets, sweaters, sweatshirts and other garments that may contain fleece, polyester soft-shell, melton and wool materials.

Felt Emblems can be formatted into many different shapes and sizes, and can be finished with a Merrow border, stitched border or fabric edge. The emblems are produced with a choice of low-melt glue, pressure sensitive, Velcro® or non-woven backings, and can be heat sealed or sewn onto a wide variety of garments and uniforms. The emblems are removable, and are commercial and dry-clean launderable, relative to backing type and application method.

Embroidered Felt Emblems can be equipped with accessory features such as button loops, butterfly clutch pins and key-rings, for easy attachment, and with the Velcro® or pressure sensitive backing options, the “stick-on and peel-off” capabilities allow for temporary garment embellishment and branding. Felt Emblems can be used as alternative to Chenille or Bullion Emblems.
