## PRODUCT DETAILS

### Emblem Dimensions:

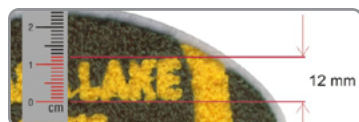

- **Minimum** emblem size is **3.0" x 3.0"** (7.6cm x 7.6cm).
- **Maximum** emblem size is **20.0" x 20.0"** (50.8cm x 50.8cm).

### Design Lettering Dimensions:

Chenille Embroidered Emblems can be created with chenille embroidered text or a combination of chenille text and standard embroidered text within a design. Text sizes do have limitations and smaller text may need to be altered to embroider properly.

#### Chenille Embroidered Text:

Chenille embroidered text within a design should not be less than 12mm (0.5") in height.

#### Standard Embroidered Text:

Standard embroidered text within a design should not be less than 4mm (0.16") in height.

### Felt Fabric - Type & Colours:

#### 100% polyester felt.

Chenille Embroidered Emblems are produced on 100% polyester felt fabric\*\*, which is constructed for embroidery processes. Colours are limited and are matched as closely as possible to the Pantone® matching system (PMS).

*\*\*Fabric thickness – approximately 1.5mm.*

*\*\*Fabric weight – approximately 280g per square yard.*

### Chenille Thread - Type & Colours:

#### 100% acrylic.

Chenille Embroidered Emblems are manufactured with 100% acrylic threads of a thickness and format suited for the chenille embroidery process. Colours are limited and are matched as closely as possible to the Pantone® matching system (PMS). The recommended maximum number of chenille thread colours within a design is 5, however emblems can be manufactured with maximum of 15 colours\*\*

*\*\*The size of the emblem; the details of the design; and the order quantity will be factored when more than 5 colours are requested.*

### Embroidery Thread - Type & Colours:

#### 100% polyester. .

Chenille Embroidered Emblem designs can be produced with standard 100% polyester embroidery threads to highlight specific design elements; to create outlines around objects embroidered with chenille threads; to create finer design details; or simply to provide another level of texture. Colours are limited and are matched as closely as possible to the Pantone® matching system (PMS). A maximum of 12 embroidery thread colours can be chosen per design, and extra charges are applicable when using metallic threads. Glow-in-the-dark threads are not available for this product.

### Backing Types:

#### 2 options. Non-woven material (no-glue) • no backing

Chenille Embroidered Emblems are manufactured with non-woven material (no-glue) or no backing.

### Border / Edge Styles:

Chenille Embroidered Emblems usually finished with a fabric edge. The emblems may be die-cut, hand-cut, heat-cut or laser-cut. Merrowed (surge over-lock) borders are **not available**.

### Design / Emblem Treatment Options:

Emblem treatment options such as **3D-puff** embroidery stitching or **double-sided** emblem are **not available** for Chenille Embroidered Emblems.

### Accessory Attachment Options:

Accessory options, such as button loops, snaps, rings, etc..., are **not available** for Chenille Embroidered Emblems.

## APPLICATION &amp; WASH GUIDELINES

## Application Methods:

**Sew-on.** Chenille Embroidered Emblems can only be sewn onto garments and other textile products.
