Printed Emblems

Embroidered Emblems

Emblemtek Solutions Group Inc.

Emblemtek is a leading North American manufacturer, distributor and service provider of a wide assortment of garment and textile embellishment, identification and branding products. This spectrum includes embroidered and printed emblems; flame retardant and reflective emblems; woven emblems and labels; PVC patches; chenille and bullion crests; garment and textile transfers; and uniform identification labelling supplies. We use innovative techniques, quality materials, and integrated processes to create the perfect blend of technically advanced embellishment solutions.

Manufacturing in Canada since 1980, our teams work closely with business partners within the uniform rental laundry; commercial dry-clean laundry; textile and workwear manufacturing; retail career wear; imprinted sportswear; promotional marketing; and hospital and institutional laundry marketplaces. Emblemtek also works directly with select recreational and charitable organizations, including Scouts and Girl Guides. We provide our customers with a high level of dedicated, flexible service with extremely short lead times, and a history of measured performance and workmanship.

Collectively, we are committed to our 6StepService® program, and to building lasting and sustainable relationships with our customers, business partners and communities. Emblemtek is a founding member of a global network of independent and diverse companies, working together as allied manufacturers, partners, and representatives. This multifaceted group combines and leverages the talents of experienced individuals, innovative product configurations and multiple production locations, to best support evolving customer and market needs, worldwide.
