Emblem Colour Chart

SubliPrint™ emblems are made with 100% polyester white twill fabric. Given the nature of colour-dyed fabrics, it is possible for some colour variances to occur, within acceptable ranges.

Separate charts are available for other fabric, thread, ink and emblem styles, types and colours.

The Pantone® PMS® codes listed in this chart are provided for reference purposes only and are subject to personal interpretation given the potential changes in lighting conditions and material textures. Pantone® and PMS® are registered trademarks of Pantone Inc.

It is the responsibility of the purchaser to be aware of Emblemtek's policies in full. Emblemtek declines all responsibility and liability or any errors or omissions that there may be with respect to this information. These details are subject to change without advanced notice.

Emblemtek trademarks, logos, designs and trade forms may not be used, copied or reproduced without express written consent.

Emblemtek® and SubliPrint™ are trademarks or registered trademarks of Emblemtek Solutions Group Inc.

Emblemtek is pleased to offer you service in English or French, Canada's official languages.
